EDUCATION

M. H. Saboo Siddik College Of Engg., Mumbai - B.E. (Information Technology)

AUGUST 2020 - MAY 2024

EXPERIENCE

Student Ambassador, Oracle Academy

MHSSCOE | AUGUST 2023 - MAY 2024

- Promoted Oracle Academy programs, events, and resources to peers and faculty, enhancing awareness and participation.
- Provided guidance and support to students interested in Oracle technologies, assisting with resource navigation and opportunity exploration.

PROJECTS

1 **CampSite** - Developed an interactive and user-friendly platform for booking campsites, enabling users to easily find and explore camping options. ([Go to Project](#))

- Designed and implemented a responsive and intuitive interface using **React.js**, **HTML**, and **CSS**, adhering to **UI design principles** for optimal usability.
- Enhanced functionality and user engagement with dynamic interactivity through **JavaScript libraries** and **MongoDB**.

2 **Pigiste Finder** - Developed a front-end website serving as a dual-purpose platform for hiring freelancers and enabling freelancers to find work opportunities.

- Designed and implemented an intuitive and responsive interface using **HTML**, **CSS**, and **JavaScript** to facilitate seamless navigation and accessibility.
- Created a user-friendly environment for both employers and freelancers to connect and collaborate effectively.

3 **Space Rocket Game Design (Figma)** - Developed an engaging space rocket game design in Figma, showcasing advanced UI/UX design skills through interactive prototypes and captivating visuals. ([Go to Project](#))

- Created detailed **prototypes** and **wireframes** to depict game mechanics and **user interface interactions**.
- Demonstrated expertise in **UI/UX design principles** by designing visually appealing and user-friendly game interfaces.
- Emphasized a cohesive and immersive user experience with innovative design elements and intuitive navigation.

SKILLS

HTML, CSS, JavaScript, React.js, Responsive Design, Node JS, Express JS, MongoDB, Python, MySQL, Figma, Prototyping, Wireframing, GitHub, AWS Cloud, Collaboration, Problem Solving, and a Fast Learner.

CERTIFICATIONS

React JS Beginners - [Lernx.io](#), **JavaScript** - [Lernx.io](#)

[Cloud Foundations](#), [Cloud Semester 1](#), and [Cloud Semester 2](#) - AWS Academy

SUMMARY

With a zeal for Website development and UI design, I am a passionate and dedicated professional committed to creating intuitive and visually appealing user interfaces and fully functional websites. I excel in collaborating with cross-functional teams, solving complex problems, and quickly learning new technologies to enhance project outcomes.
